Text services

The major benefit to SEC³URE membership is remaining notified and up-to-date regarding facility requirements and appointments. Enroll in SEC³URE text services to speed up your facility experiences. Enter your mobile device number and then Save.

Text notifications: Visit Reminders

We also provide automated visit reminder notifications so you may either extend your visit or check-out should you happen to forget. It's fast, convenient, and available with your paid SEC³URE membership.

Here's a key tip: If you happen to un-enroll from text reminders, you can always re-enroll under **Message Preferences** by checking the box again.

You may also enroll in Mobile text checkout services by texting "Enroll" to 53856
