

# SEC<sup>3</sup>URE HOST ADMIN | Release Notes – 7/19/2017

Intellcentrics has officially released our latest version of SEC<sup>3</sup>URE for Host Administrators. This version is automatically available upon Facility Host Administrator login. This latest release addresses minor issues, adds a new popup *Community Alert* feature, and enhances the Rep Roster Report.

## Features included in this release:

- SEC<sup>3</sup>URE Community Alerts  
These quick seven (7) second popup messages inform how many SEC<sup>3</sup>URE HCIRs / Vendor Reps are currently checked into the facility. Division and System administrators will see the numbers for their respective divisions or systems.  
*Displays in the upper-right corner upon log-in*
- Updated Rep Roster Report now including **Company** filter  
Enhanced the *Vendor / Rep Roster Report* to provide search & filter by *Company*.  
*Located under: REPtools > NEW Rep Roster Report*

There are 15 SEC<sup>3</sup>URE members currently checked-in at this facility.

## System Requirements for SEC<sup>3</sup>URE:

- Microsoft Windows 7 or above
- Internet connection using the latest browser versions of: [Microsoft IE 11](#) | [Microsoft Edge](#) | [Google Chrome](#) | [Mozilla Firefox](#)
- Latest version of Adobe Acrobat Reader: [www.adobe.com](http://www.adobe.com)
