

# SEC<sup>3</sup>URE Mobile App for HCIR | Release Notes – 5/19/2017

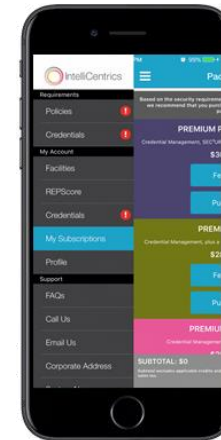

Intellcentrics is proud to officially release our latest version of the SEC<sup>3</sup>URE Mobile App for HCIRs [1.3.77]. **HCIRs will need to update the SEC<sup>3</sup>URE App on their mobile device (Apple & Android) to see these latest improvements.**

This latest release addresses minor bugs for both Apple iOS and Android, now allows HCIRs to view their current subscriptions along with the expiration dates, and view additional products & services available for purchase – all from their mobile devices.

## Features included in this release:

- View Current Subscriptions & Upgrade directly from the SEC<sup>3</sup>URE Mobile App  
With this update, HCIRs / Reps may now review existing subscriptions as well as purchase additional value-added products directly from their mobile devices; eliminating the need for full PC access.  
*Available under My Subscriptions*
- Renew Expired Subscriptions directly from the SEC<sup>3</sup>URE Mobile App  
This minor update eliminates the need to renew an expired subscription from a PC browser.  
*Available under My Subscriptions*

## System Requirements for SEC<sup>3</sup>URE Mobile App:

- Apple iOS 8.0 or later | Compatible with iPhone, iPad, and iPod Touch
- Android 4.0 and up
